Training Coaches Who Lead from the Heart

Coach Training at Agape Coaching HeArt is designed for people who want to grow in professional coaching maturity. It strengthens the person of the coach and the practice of the coaching conversation through reflection, skill building, ethical awareness, and disciplined practice.

Who it is for

Emerging and practicing coaches, facilitators, mentors, pastors, educators, and professionals who want to coach with greater confidence and care.

1. Presence & Posture

Develop the inner posture needed to listen deeply, serve ethically, and remain fully present.

2. Core Skills

Strengthen listening, questioning, feedback, and session structure for meaningful conversations.

3. Professional Maturity

Build reflective practice, ethical awareness, and disciplined habits that support coaching growth.

4. Values-Rooted Practice

Integrate faith, hope, love, and purposeful action into the way you serve others.

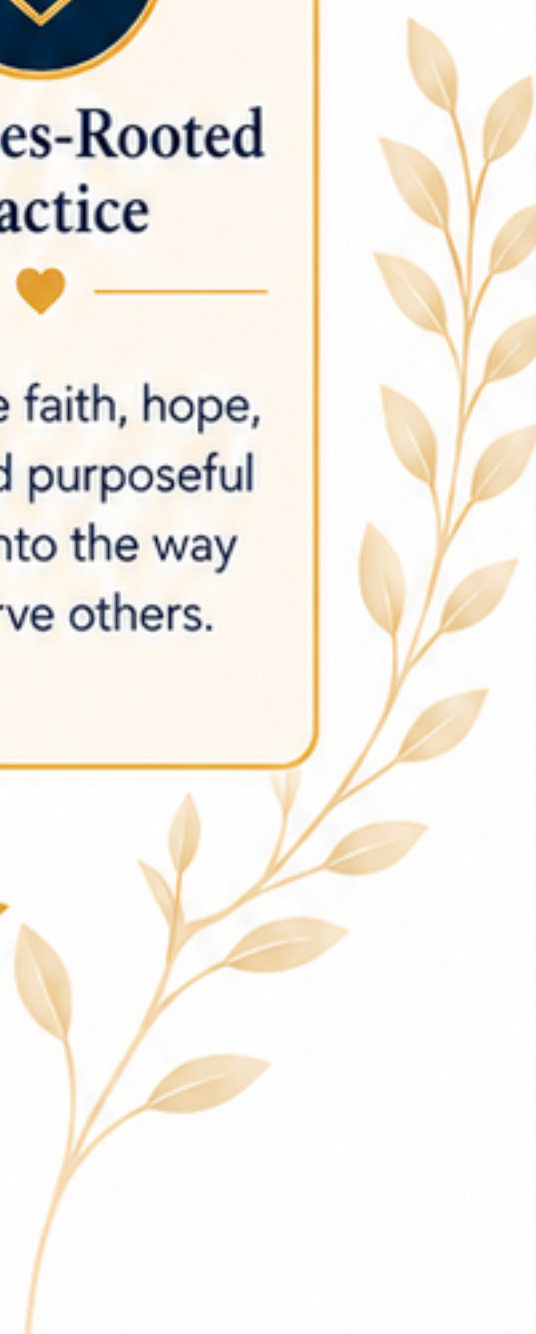

Grounded in heart, skill, and purpose.
